#### Notes :

- The Vendor advises prospective purchasers to conduct an on-site visit for a better understanding of the development site, its surrounding environment and the public facilities nearby.
- The location plan may show more than the area required under the Residential Properties (First-hand Sales) Ordinance due to the technical reason that the boundary of the Development is irregular.
- The map is provided by the Hong Kong GeoData Store and intellectual property rights are owned by the Government of the HKSAR.
