- Notes:
1. Due to technical reasons as a result of the irregular boundary of the Development, the location plan has shown more than the area required under the Residential Properties (First-hand Sales) Ordinance.
 2. The Vendor advises purchasers to conduct an on-site visit for a better understanding of the development site, its surrounding environment and the public facilities nearby.

This location plan is prepared by the Vendor with reference to the Digital Topographic Map No. T7-SW-D dated 2 February 2025 from Survey and Mapping Office of the Lands Department, with adjustments where necessary.
