### 其他事項

Persons interested in submitting tenders of the specified residential properties are reminded to read the latest register of transactions of the Phase so as to ascertain whether a particular specified residential property is still available for tender on a date of sale. Although a specified residential property may be available for tender on a date of sale, it may become unavailable during or after that date of sale because the Vendor may accept a tender within the acceptance period after the close of a previous tender exercise. In such event, the Vendor will reject offer(s) for purchase of the property. Please also note that the register of transactions of the Phase may not be updated immediately after the Vendor accepts a tender.

The Vendor does not undertake and is under no obligation to, review, consider or accept the highest offer or any

offer at all for the purchase of any specified residential property. The Vendor has the absolute right to withdraw from the sale of any specified residential property at any time before the acceptance of any offer. The Vendor has the absolute right to change the closing date and/ or time of the tender from time to time by amending the Sales Arrangements.
