其他事項:

In the event that any of the specified residential properties offered to be sold under this sales arrangements is sold pursuant to other sales arrangements prior to the first dates of sale hereunder, the said property will cease to be available for sale under this sales arrangements.

Batch A

The sale of the specified residential properties in the Development is subject to availability. Also, the Vendor reserves the right to suspend sale or reduce the number of properties to be offered for sale at any time without further notice. Please note that the completion of the verification of a person's identity, any order of priority in respect of the selection of specified residential properties according to the result of the balloting, or the Vendor's admittance of any person to the waiting queue does not guarantee any person will be able to purchase any specified residential property in the Development.

The Vendor has the absolute right to change the closing date and/ or time of the tender from time to time by amending the Sales Arrangements.

Persons interested in submitting tenders of the specified residential properties are reminded to read the latest register of transactions of the Development so as to ascertain whether a particular specified residential property is still available for tender on a date of sale. Although a specified residential property may be available for tender on a date of sale, it may become unavailable during that date of sale because the Vendor may accept a tender within the acceptance period after the close of that previous tender exercise. In such event, the Vendor will reject offer(s) for purchase of the Property. Please also note that the register of transactions of the Development may not be updated immediately after the Vendor accepts a tender.
